ABOUT COHOP

CoHop is a unique **cooperative of microbreweries** in Brussels, where craft production meets a modern brewpub experience.

All our beers are brewed on site to ensure freshness and quality.

From our mezzanine overlooking the brewing area, guests can observe the production space while enjoying our beers and South American cuisine.

“CoHop embodies the alliance between local production, hospitality, passion, and immersive cultural experience — blending Belgian traditions with Latin flavors.”

ORGANIZE WHATEVER YOU IMAGINE

"Make CoHop whatever you imagine! We did — and it was perfect!"

We host your professional events in a fully equipped and flexible space (microphone, screen, sound system).

Team buildings, conferences, training sessions, afterworks, private tastings, workshops, pitches, talks or presentations — anything is possible!

We also welcome requests for private events such as weddings or birthday celebrations.

Let's talk about your project and create a tailor-made experience together!

CAPACITY

Our 180-square-meter space can host up to 180 people, with 100 seats on the mezzanine and 30 on the ground floor. The layout is modular and can be adapted to your needs.

FOOD & DRINKS

We offer over 24 craft beers brewed on site, served with flavorful South American cuisine. A selection of wines, soft drinks, and cocktails is also available.

For daytime events, we provide tailored options such as coffee, tea, and pastries.

Custom catering formats such as BBQs, buffets, and more are also possible.
